Graduate & Professional Student Recruitment Initiative (GPS)

October 29 - 31, 2017

The Graduate/Professional Student Recruitment Initiative (GPS) is The Ohio State University's premier diversity recruitment program for students considering post-baccalaureate studies at Ohio State. The program helps to contribute to the ethnic, cultural and academic diversity of Ohio State's Graduate School and Professional Colleges.

Applying for GPS

To qualify for an invitation to attend*:

- Be a rising senior eligible to graduate by June 2018
- Be a U.S. citizen or permanent resident
- Demonstrate serious consideration to attend Ohio State.
- **Submit the GPS application including:**
 - One unofficial transcript
 - A short statement (250 words or less) indicating your research and/or professional interests and why you want to pursue these interests at Ohio State.
 - One letter of support from a faculty member.
 - CV/résumé

Competitive applicants for this program will have a GPA of 3.5 or higher for all college work, be a participant of one of the targeted pipeline programs, or be nominated by an Ohio State academic unit. However, all applicants with a 3.0 or above GPA will be given consideration.

Final invite decisions will be made by Ohio State departments. Students will receive decision notification via email.

** Depending on the individual academic unit review process, you may receive your invite decision as early as two weeks following your GPS application submission or as late as one week following the GPS application deadline (September 22).*

Applications will be accepted up to September 22!

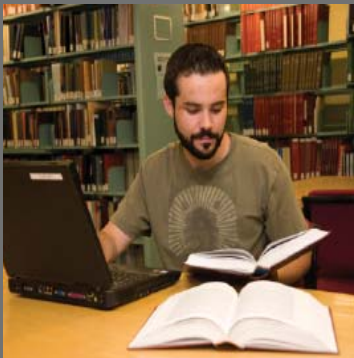

Submit your application early! Competition is keen, and limited spots are available! Submit as early as June 1, 2017.

Request your GPS application by emailing gps@osu.edu today!
